Summary

Motivated B.Tech IT student with strong foundation in **Java, Data Structures & Algorithms, and core Computer Science concepts**. Gained hands-on experience during internship at Delhi Metro Rail Corporation (DMRC), working on software systems and databases. Currently upskilling in **Java Full Stack Development (SpringBoot, MySql,HTML/CSS/JS)** with focus on backend development and scalable applications.

Work Experience

Delhi Metro Rail Corporation (DMRC)

Jun 2025 – Jul 2025

Software Intern

- Worked on **Vendor Empanelment Portal (VEP)**, a web-based system for vendor registration and workflow management
- Developed frontend modules and assisted in backend logic and database schema design
- Improved form validation handling, role-based access control, and workflow automation efficiency
- Followed **SDLC** practices including requirement analysis, development, testing, debugging, and documentation

Projects

Food Delivery API

[GitHub](#)

Java, Spring Boot, Hibernate, MySQL

- Developed **RESTful APIs** for customer, restaurant, menu, and food order management functionalities
- Implemented layered **controller-service-repository** architecture with CRUD operations
- Designed APIs for restaurant registration, menu handling, and order placement and delivery partner onboarding
- Built optimized **relational database schema** for efficient food item and restaurant data management

E-Commerce API

[GitHub](#)

Java, Spring Boot, Hibernate, MySQL

- Developed **RESTful APIs** for product management, cart operations, and order processing functionalities
- Used **Hibernate ORM** framework to reduce boilerplate and implement CRUD operations with validation
- Designed optimized **relational database schema** for efficient query performance

Skills

Languages	Java, JavaScript, MYSQL
Technologies	Spring Boot, HTML, CSS
Core Concepts	Data Structures & Algorithms, OOPs, DBMS
Tools	Git, GitHub, IntelliJ IDEA

Education

2023 – 2027	B.Tech IT, Bhagwan Parshuram Institute of Technology	93%
2023	Class XII (CBSE), Bal Bharti Public School	95.40%
2021	Class X (CBSE), Bal Bharti Public School	96.20%

Certifications & Achievements

- **Java Full Stack Development** Program – AccioJob, Noida
- Maintained **CGPA of 9.3+** and ranked among Top 5 students in IT Department
